Will

Genard D. Munson County of Grayson State of Texas
 know all men by these presents that I Genard D. Munson, of the County of Grayson State of Texas, being of sound mind and disposing memory, but aware of the uncertainty of human life, do hereby make and constitute this my last will and testament, hereby revoking all former wills by me at any time heretofore made, in and to this.

And first, I desire my Executors, hereinafter named to pay all of my just debts as soon as they can after my decease, without encumbering my property.

Second, I will and bequeath to my Daughter Ann Elizabeth Munson a negro girl named Betsy, of light complexion, and now aged about ten years.

Third, I will and bequeath to my Son Williams Paine Munson a negro girl named Fosey of Mulatto complexion now aged about Ten months.

Fourth, I will and bequeath to my Brothers Mendella S. Munson & George P. Munson or the Survivor of them, all the residue of my property of whatever description or kind, whether real, personal

or divided in Trust for the following purposes. They to take possession of the same immediately upon my death. Out of the rents and profits of the same I want my wife Anne Dimson to have a good support during her natural life. But if she marries again then I desire that she have no more benefit or interest in or to any of my property. And after her marriage my said executors are to furnish her nothing more from my estate. But so long as she remains unmarried she to have a good support out of my estate. I also desire that my executors shall support and educate all of my children out of the rents & profits of my Estate in a manner suitable to their conditions & circumstances in life. And in such manner as may seem best to them. And if necessary my executors or the survivor of them to sell any of my property, in such manner as may seem best to them for the above purposes, or to carry out the provisions of this will.

It is further my will that upon my children becoming of age, or marrying if they marry with the consent of my executors, whom I also appoint the Guardians of my children persons & estate. That they each as they so become of age or marry, shall have an equal share part of my estate. That is divide my estate into as many parts as I have children and give to each his share upon becoming of age or marrying if they marry with the consent of my executors. And if none of my children live to become of age or marry, I will and bequeath all of my property to my said executors or the survivors of them fully and absolutely. They only to give my said wife a good support out of the same during her natural life or until she marries.

I also desire my executor to give what other children I may hereafter have a young negro out of my estate so as to make them equal to those children I now have living.

And reposing special confidence and trust in my brother Mendella S. Munson and George S. Munson I hereby appoint them or the survivor of them the executors of this my last will & testament, knowing they will carry out its provisions faithfully, and I desire that no further action be had in regard to the settlement of my estate in the Probate Court, further than the Probate and registration of this will and a return of an inventory of my estate.
