Col. Bates

Sir, I feel grateful to you for many favors already received and regret having farther to solicit your friendly interposition. But there are other persons not so unprotected and exposed as myself, to whom details are furnished. There are other plantations of less importance and utility to the government than this which enjoy the advantage of having managers detached from the army, and I think it not unreasonable that I should respectfully ask that a similar favor be granted to myself. You are aware that I am located, but a short distance from a fortified camp, that there are many troops in the vicinity, and that they pass and visit my house almost daily. There are many negroes in this immediate vicinity, from the depredations of whom I have no means of protecting myself. In addition to my own private interests, I believe that of the state and the country at large will be enhanced

by granting my request. There are over twenty hands on this place. Corn and Sugar are exclusively cultivated. Sugar making is now near at hand, many preparations are indispensable, and you know it is entirely out of my power either to prepare for, or superintend the taking off of a crop. It is true my brother George Munson has been permitted to spend much of his time at home; but you are aware that his presence here is entirely dependent upon the position of his company and the kindness of his officers for if his company is ordered away, of course he will be expected to go with it, And being a sugar planter yourself I need not tell you what would be the consequence of his leaving home now, when his presence is more essential than at any other season of the year. In consideration of the above facts, and in consequence of his relationship to myself and children and his interests being intimately identified with my own. I respectfully ask that George P. Munson be detailed to take charge of & superintend this plantation.

Very respectfully,
A. C. Munson.

The Plantation known
as Oakland place, upon which my Brother
S. B. Munson resided at the time he was
murdered, and which is still the home
of his widow, and four infant children,
is without any one to control, or protect
it, surrounded by large plantations on the
principal highway leading from the Coast
to the interior, contiguous to your largest
encampment of troops, scarcely a day, or
night passes by, without finding strangers
upon the premises, principally soldiers,
some of whom recognize no right, or
law, either human or Divine, thieves, and
scoundrels from their birth, they seek
women, and children, defenceless, to rob,
to outrage them. I respectfully ask that my
Brother Lieut. S. B. Munson, a private in
Battery may be detailed permanently, or for
as great a length of time as is admissible
to take charge of, and control the aforesaid
plantation, the Government's interest in
the ungathered, and growing crop of the place

(in the absence of other considerations,) would authorize the detail asked for; You know Colonel from the location of this place, that it would be next to impossible for a Lady, without male protection to remain upon it; Soldiers have been, are being detailed to oversee plantations, therefore in the fullest confidence of your favorable action upon this application, I make it.

My Brothers temporary presence upon the place, the result of your kindness, I feel ~~deeply~~ grateful to you for Mrs Munson will also apply for the detail herein asked for, and if it is necessary that her application should be forwarded to Dep^y H^qs Quarters, I ask your assistance in the premises. Gen Walker is well known to me and in him we will have a General, careful of his troops, and just to the citizen.

detailed & placed on duty with the enrolling office of Alor-

by request of Brig Gen Drayton, be ordered back to their

have acted badly in several instances in marking &

acting the rowdy generally, by abusing good & peaceable
